

Hurricane Ike High Water Bronze Commemorative Plaque

GHF's bronze high water marker is a permanent and dignified way to commemorate the effects of Hurricane Ike, an event that has had a lasting effect on our lives as individuals and as a community. All proceeds go to support GHF's recovery programs. The plaques are suitable for outside mounting at the site of the high water line for a building or other structure.

Size: 11.25" x 3.25" **Material:** Cast Bronze. **Price:** \$108.25, tax included. Not shipping; the plaque must be picked up at GHF Headquarters.
